

Annual Report | 2022

Rogers County Premium Auction Committee

The standard of excellence was very high for the 89 young people who purchased and raised animal projects for the 2022 county fair. Recognizing these fantastic young exhibitors, the community made sure the 2022 sale was a huge success. Hard work on the part of the students was recognized in a gala evening of scholarships, awards, and high-performing 4-H and FFA exhibitors. Students and their livestock were inside the sale arena building for a fun meet & greet. These young people are the future of agriculture in Rogers County. We're so proud of them!

The generosity of our community was, once again, astonishing resulting in our best sale ever! In 2022, Rogers County achieved a new record with a sale total of \$289, 875. We are beyond grateful and thank all of you so much for your continued support! Funds go to students to support their next animal project and their continued education.

Working in collaboration with the County Fair Board, the Rogers County Premium Auction Committee (RCPAC) hosts the premium sale each year. The RCPAC financial summary presented at our annual meeting is below.

Scholarships

The RCPAC and Fair Board partnered with Rogers State University in 2008 to offer **four-year college scholarships** to the senior showmanship winners in beef, sheep, and swine. Since then, the showmanship winners in goats, dairy and horses have been added. We plan to announce additional ag-related scholarships, in years to come. **Rogers State University** is a great partner, and we appreciate their support very much.
