

# Annual Report | 2023 Sale

## Rogers County Premium Auction Committee

Once again, the student exhibitors who purchased or raised animal projects for the Rogers County Fair exemplified excellence in project management and showmanship. It is always a proud moment when these 88 young people pass through the Premium Sale at the conclusion of the Fair to receive support from our community. The 2023 sale was a huge success! Hard work on the part of the students was recognized in a gala evening of scholarships, awards, and high-performing 4-H and FFA exhibitors. These young people are the future of agriculture, business, and industry in Rogers County. We're so proud of them!

The generosity of our community was, once again, amazing resulting in a record-breaking sale total of \$300,002. We are beyond grateful and thankful for your continued support! Funds go to students to support their next animal project and their educational funds allowing them to attend college and technical schools to shape their futures. Working in collaboration with the County Fair Board, the Rogers County Premium Auction Committee (RCPAC) hosts the premium sale each year. The RCPAC financial summary presented at our annual meeting is below.

### Notes:

Top 88 livestock exhibitors were in 2023 sale	
4% Commission to general fund	\$ 12,000.08

### Scholarships

The RCPAC and Fair Board partnered with Rogers State University in 2008 to offer **four-year college scholarships** to the senior showmanship winners in beef, sheep, and swine. Since then, the showmanship winners in goats, dairy and horses have been added. We hope to announce additional ag-related scholarships, in years to come. **Rogers State University** is a great partner, and we appreciate their support very much.

### 2024 Sale Date

Monday  
September 16, 2024
