2024 Rogers County Premium Auction

The **Rogers County Fair** will be taking place September 12-15, 2024
The **Rogers County Premium Auction** will be September 16, 2024
Claremore Expo Center, 400 Veterans Pkwy, Claremore, Oklahoma
Enjoy the fair and save Monday evening for the Premium Sale. We look forward to seeing you there!

We invite you to attend the Rogers County Premium Auction because **you can make a difference**. The auction provides the community with a way to support 4-H & FFA students who successfully exhibited livestock in the Rogers County Fair and qualified for the honor of selling in the auction. The animals don't change ownership. The auction format provides a means for the community to "buy" or "add-on" to the bidding for each student. When our community members support students in the Premium Auction, we enable these students to continue with future animal projects, add to their college funds, and most importantly, explore their future in agriculture. Thanks for your interest and support!
