

PREMIUM SALE SELECTION

- There will be a minimum of 15 market steers, a minimum of 15 market lambs, a minimum of 15 market barrows, and 5 market goats auctioned for premium on Monday, 7:00 p.m. Market Breed Champions will automatically be auctioned when the breed is represented by 3 or more animals in Beef, 5 or more animals in Sheep, and 5 or more animals in Swine. In addition to the market animals 30 percent of breeding but not more than 8 head of Junior Heifers, not more than 8 head of Junior Breeding Ewes, and not more than 8 head of Junior Breeding Gilts will be included in the auction. Traditional rounding rules will be used to determine the number of breeding animals in the auction. If 30 percent of the breeding animals in a species is not at least 8 animals, any unused breeding animal positions up to 8 will be used to increase the number of market animals in the sale of that species. Two Junior Breeding Does will be included in the auction. In addition, 30 percent of the eligible Junior Dairy Heifers but not more than 5 head will be included in the auction. In breeding stock, the breed champion will not automatically be in the auction—selection will be based on best individuals over all breeds. **Any exhibitor qualifying more than one animal within a species for the premium sale must scratch the animal of their choice within 30 minutes after posting of the species sale order. Any exhibitor qualifying more than one species must scratch the animal of their choice within 30 minutes after posting of the second species sale order. Any exhibitor not scratching animals on their own will be slated to sell their highest placing animal in the Premium Sale. Determination of the highest placing animal in the Premium Sale will be within the species first followed by all species.**

ADDITIONAL INFORMATION

- Exhibitors must get their picture taken with the species sale order card after each species is finished showing if you receive a card for that species regardless of the number listed on the card. If you receive more than one card, you must take a picture with each and every card that you receive. The sale order cards must be turned in to the photographer.
- REQUIRED Premium Sale Exhibitor Meeting at 2:00 p.m. on Sunday in the show arena.
- In the event that there are not enough exhibitors in any species, any unused sale spots will not be filled in that particular species.
- Exhibitors are responsible for checking species sale order and Premium Sale order.
- It is the exhibitor's responsibility to have livestock at Premium Sale selection on time.
- Animals must be cared for by exhibitor before and during the sale.
- Animals in the Premium Sale will be stalled in designated area and required to be in the barn for pre-sale viewing by 5:00 p.m. on Monday afternoon.
- Livestock must be exhibited by owner and presented in Premium Sale by owner.
- The final premium bid is a donation to the exhibitor and no transfer of animal ownership take place.
- All premium auction buyers as well as add-on contributors will be recognized in the county newspaper and listed on the Rogers County Fair website.
- Exhibitors are charged a photo fee for pictures automatically sent to the buyer and given to the exhibitor. A small commission is charged to pay for the buyers' appreciation dinner, postage, mailings, and newspaper space for appreciation notices.
