

# Annual Report | 2020

## Rogers County Premium Auction Committee

For the 89 young people who purchased and raised animal projects despite a very uncertain year, the 2020 sale was a success. We survived the impact of Covid 19 with a virtual sale. Though it was a little different for all of us, the generosity of our community was the same as always. We are grateful and thank all of you so much for your continued support through thick and thin!

We're excited to be returning to our normal format for the sale in 2021 and look forward to seeing everyone there. We will once again have all the 4-H and FFA livestock exhibitors and their livestock inside the sale arena building to celebrate their achievements. Community members will be able to meet the exhibitors and see their livestock up close before the sale.

Working in collaboration with the County Fair Board, the Rogers County Premium Auction Committee (RCPAC) hosts the premium sale each year. This letter shares with you (below) the financial summary presented at our RCPAC annual meeting. Each sale participant receives a detailed statement showing their ring bid, their add-on donations, and their deductions.

### Scholarships

The RCPAC and Fair Board partnered with Rogers State University in 2008 to offer **four-year college scholarships** to the senior showmanship winners in beef, sheep, and swine. Since then, the showmanship winners in goats, dairy and horses have been added. We plan to announce additional ag-related scholarships, in years to come. **Rogers State University** is a great partner, and we appreciate their support very much.
