

Annual Report | 2021

Rogers County Premium Auction Committee

For the 89 young people who purchased and raised animal projects despite another uncertain year, the 2021 sale was a huge success. It was also a return to “normal” with a well-attended live sale and all the 4-H and FFA exhibitors plus their livestock inside the sale arena building to celebrate their achievements. Attendees were able to meet the exhibitors and see their livestock up close before the sale. The 2021 event changed to seating at tables & chairs for an awards celebration that added to the excitement of scholarship presentations and other honorees and awards.

The generosity of our community was phenomenal resulting in our best sale ever! In 2021, Rogers County broke the quarter million-dollar mark with a sale total of \$251, 125. We are beyond grateful and thank all of you so much for your continued support!

Working in collaboration with the County Fair Board, the Rogers County Premium Auction Committee (RCPAC) hosts the premium sale each year. The RCPAC financial summary presented at our annual meeting is below.

Scholarships

The RCPAC and Fair Board partnered with Rogers State University in 2008 to offer **four-year college scholarships** to the senior showmanship winners in beef, sheep, and swine. Since then, the showmanship winners in goats, dairy and horses have been added. We plan to announce additional ag-related scholarships, in years to come. **Rogers State University** is a great partner, and we appreciate their support very much.
