

# Rogers County Fair | Where Tradition Meets Tomorrow

## Attention Exhibitors

We are continuing to modernize processes for entries with the **ONLINE ENTRY SYSTEM** through [www.fairentry.com](http://www.fairentry.com). 2024 is year two for this initiative for indoor exhibits & contests and year one for livestock entries. Our goal is to make the most efficient use of our volunteer staff time plus offer you an easier entry process. The following is important information for you to know!

**ALL INDOOR EXHIBITS & CONTESTS** entries are to be done online. Except the Flower division.

Call the Extension office with any questions. Their phone number is 918-923-4958

**ALL LIVESTOCK AND ANIMAL** entries are to be done online. The process is very similar to indoor exhibits. Please enter everything you think you may show. At check-in you can let us know what animals you are NOT checking in. There will be no day of check-in entries.

Call your species or show superintendent (published in fair book) with questions OR call Wendy at 918-342-5357 for help contacting your livestock or animal superintendent.

## ENTRY DEADLINE AUGUST 30, 2024

### More Details on Entries

- All indoor entries (except flowers) including fine arts and livestock/animals will be done on [www.Fairentry.com](http://www.Fairentry.com)
- You will create an account for each exhibitor
- Then pre-enter your items/animals. Then check-in items you are exhibiting at the fair on the scheduled day. This is an easy process of scanning your entry info for the items/animals you bring to the fair.
- We suggest pre-entry for EVERYTHING you may show. It is very easy to not check in the things you decide not to show.
- Day of check-in is not the time to do your initial entry of items/animals for the fair. This results in long lines. PLEASE pre-enter online by August 30. NOTE: There will be NO day of check-in entries for livestock.

**If you need assistance** with pre-entry, please attend one of the online entry events as follows

- Online Entry Event #1 August 22nd 1p-6p at the Rogers County Building
- Online Entry Event # 2 August 24 9a-12p at the Rogers County Building
- Or call the OSU Extension Office at 918-923-4958
- Entry information has been posted to the Rogers County Fair Facebook page and website

**How to get a FAIR BOOK** More rules and information about the classes can be found in the fair book. Printed copies can be picked up at the OSU Extension Office or you can find a digital copy at [www.rogerscountyfair.com](http://www.rogerscountyfair.com).
