

Annual Report | 2024 Sale

Rogers County Premium Auction Committee

Once again, the student exhibitors who purchased or raised animal projects for the Rogers County Fair exemplified excellence in project management and showmanship. It is always a proud moment when these 89 young people pass through the Premium Sale at the conclusion of the Fair to receive support from our community. The 2024 sale was a huge success! Hard work on the part of the students was recognized in a gala evening of scholarships, awards, and high-performing 4-H and FFA exhibitors. We often say, "The students are raising great livestock. While our community is raising even greater young people!"

The generosity of our community was, once again, amazing resulting in another outstanding sale total of \$291,233. We are beyond grateful and thankful for your continued support! Over the last ten years the Rogers County Premium Auction has put 2.3 million dollars of funds into students' hands to support their next animal project and their educational funds. These funds allow them to attend college and technical schools and to shape their futures. Working in collaboration with the County Fair Board, the Rogers County Premium Auction Committee (RCPAC) hosts the premium sale each year. The RCPAC financial summary presented at our annual meeting is below.

RCPAC General Fund Summary

Beg Balance 1-1-24	\$ 30,942.73
voided cks not cashed from 2023	\$ 72.00

Uncollected from 2021	\$ 50.00

Scholarships

The RCPAC and Fair Board partnered with Rogers State University in 2008 to offer **four-year college scholarships** to the senior showmanship winners in beef, sheep, and swine. Since then, the showmanship winners in goats, dairy and horses have been added. We hope to announce additional ag-related scholarships, in years to come. **Rogers State University** is a great partner, and we appreciate their support very much.
