

# Rogers County Fair | Where Tradition Meets Tomorrow

## Attention Exhibitors

We are continuing to modernize processes for entries with the **ONLINE ENTRY SYSTEM** through [www.fairentry.com](http://www.fairentry.com). Our goal is to make the most efficient use of our volunteer staff time plus offer you an easier entry process. The following is important information for you to know!

**ALL INDOOR EXHIBITS & CONTESTS** entries are to be done online.

Call the Extension office with any questions. Their phone number is 918-923-4958

**ALL LIVESTOCK AND ANIMAL** entries are to be done online. The process is very similar to indoor exhibits. Please enter everything you think you may show. At check-in you can let us know what animals you are NOT checking in. There will be no new entries on the day of check-in.

Call your species or show superintendent (published in fair book) with questions OR call Wendy at 918-342-5357 for help contacting your livestock or animal superintendent.

## ENTRY DEADLINE AUGUST 29, 2025

### More Details on Entries

- All indoor entries including fine arts and livestock/animals will be done on [www.Fairentry.com](http://www.Fairentry.com)
- You will create an account for each exhibitor
- Then pre-enter your items/animals. Then check-in items you are exhibiting at the fair on the scheduled day. This is an easy process of scanning your entry info for the items/animals you bring to the fair.
- We suggest pre-entry for EVERYTHING you may exhibit. It is very easy to not check in the items/animals you decide not to bring to the Fair.
- Day of check-in is not the time to do your initial entry of items/animals for the fair. This results in long lines. PLEASE pre-enter online by August 29th.

**NOTE:** There will be NO new entries taken on the day of check-in for livestock.

**If you need assistance** with pre-entry, please attend one of the online entry events as follows

- Online Entry Event #1 (Indoor Exhibits) August 21st 1p-6p at the Rogers County Building
- Online Entry Event # 2 (Indoor Exhibits) August 23rd 9a-12p at the Rogers County Building
- Or call the OSU Extension Office at 918-923-4958

**How to get a FAIR BOOK** More rules and information about the classes can be found in the fair book. Printed copies can be picked up at the OSU Extension Office or you can find a digital copy at [www.rogerscountyfair.com](http://www.rogerscountyfair.com).
