

Where Tradition Meets Tomorrow

Thank you for your interest in being a vendor at the Rogers County Fair. The Fair is held at the Claremore Expo Center on the second weekend after Labor Day each September. Over the past few years, we have seen a significant increase in attendance and vendor interest. The 2025 Rogers County Fair was a very successful event for our vendors and the many activities that took place throughout the fair.

The Rogers County Fair Board, the City of Claremore, and the Claremore Expo Center value our vendors, patrons, volunteers, and staff. Over time, we have continued to adapt and improve the County Square located inside the Expo Center to best utilize the available space while creating a positive experience for both vendors and fairgoers. In addition, we offer a dedicated “Food Row” in a high-traffic area between the carnival and exhibit buildings to maximize vendor visibility. Please note that we will be making additional layout changes this year, so it is important to read the vendor application carefully.

To be considered, please submit your completed vendor application. You will be notified by email if you are accepted, placed on a waitlist, or if we are unable to accommodate your business. Please allow a few business days for applications to be reviewed before following up.

We welcome a wide variety of vendors and strive to avoid duplication by offering different items from each business. Only one representative from multi-level marketing companies will be accepted (for example, Mary Kay or Tupperware). When completing your application, it is essential to include a clear and detailed description of the items you plan to sell.

The Rogers County Fair is a family-friendly event, and we hope you will consider being part of the 2026 fair. If you have any questions, please do not hesitate to contact me by phone or email. We look forward to hearing from you.

Sincerely,

Wendy Woody
